The Belfast
Marathon is 8
weeks away!

Stormont

A photograph of the Stormont building, a large neoclassical structure with a central portico supported by columns. The building is set on a large green lawn with a garden in the foreground. The sky is overcast. The image is framed by a pink border on the left, a blue border at the bottom, and a green border on the right. There are orange and green abstract shapes overlaid on the image.

City Hall

You just hit
Mile 9!

5 Weeks
until the
Marathon

School of the Week

A group of children, mostly of diverse ethnicities, are running a race on a paved path outdoors. They are wearing matching red t-shirts with a logo on the front and black athletic pants. The children are in various stages of their running stride, some looking forward with determination, others smiling. In the background, there is a brick building with a tiled roof, bare trees, and a clear blue sky with some light clouds. A few adults are visible in the background, some watching the race. The overall atmosphere is energetic and positive. A large, stylized pink graphic element is overlaid on the bottom right of the image, containing the text.

Halfway until
the Belfast
City Marathon

A woman with long blonde hair, wearing a red dress with a white floral pattern and a lanyard with a badge, is smiling and high-fiving a young boy in a green school uniform. They are standing on a paved area in front of a modern school building. Other children in school uniforms are visible in the background, some walking and some sitting on the ground. The scene is bright and sunny.
